

## SOROSIS UNDERSKIRTS

Are the most easily fitted Petticoats made. In fact all that is necessary to make one fit is to draw and tie the drawstring and the demi-yoke does the rest. No matter whether the wearer be slender or stout the demi-yoke adjusts itself to the form, and gives that graceful bearing so necessary for the proper fitting of an overskirt. There is no placket-hole in a Sorosis underskirt to open and expose the under garments. No raw edges in a Sorosis underskirt to ravel or fray out. Insist on getting a Sorosis when you buy your next Petticoat.

Special prices on Sorosis underskirts, 98c, \$1.00, \$1.25, \$1.50, \$2.00, \$2.50 and \$2.75.

## OUR DISCOUNT SALE

That has been going on the past two weeks has met with unqualified success.

days after Christmas and

again the buying season is on. We shall shortly visit

the large Furniture exhibitions where we hope to pur-

chase the newest creations in House Furnishings. These

are sufficient reasons you will see why we give you the

## FLEETING CROCKERY and CHINAWARE OPPORTUNITIES

The many bargains we have displayed on our Bargain Table are fast disappearing and are being greatly appreciated by the obtainers.

Many of the goods on this Table are every bit as good as to quality as they ever were, but as we have said before we must have the room for the many new patterns we have bought for early Spring arrival.

That's the story with the frills off and any one can save good money by taking advantage of the opportunities we are now offering you.

Please come in and inspect—whether you buy or not you are just as welcome.
